Safety data sheet in accordance with regulation (EC) No 1907/2006 Trade name: Marabu Acrylfarbenset 12 x 12 ml Version: 6/ Date revised: 12.02.2020 Print date: 07.09.20 Substance number: 121000000200 Replaces Version: 5 / WORLD STOT SE 3 H335 Acute Tox. 4 H302 Acute Tox, 4 H312 Aquatic Acute 1 H400 Aquatic Chronic 1 H410 Concentration limits (Regulation (EC) No. 1272/2008) M = 10Aquatic Acute 1 H400 Aquatic Chronic H410 M = 1SECTION 4: First aid measures 4.1. Description of first aid measures After skin contact Wash with plenty of water and soap. Do NOT use solvents or thinners. After eye contact Separate evelids, wash the eyes thoroughly with water (15 min.). In case of irritation consult an oculist. After ingestion Rinse mouth thoroughly with water. If larger amounts are swallowed or in the event of symptoms take medical treatment. 4.2. Most important symptoms and effects, both acute and delayed Until now no symptoms known so far. 4.3. Indication of any immediate medical attention and special treatment needed Hints for the physician / treatment Treat symptomatically SECTION 5: Firefighting measures 5.1. Extinguishing media Suitable extinguishing media Carbon dioxide, Foam, Sand, Water 5.2. Special hazards arising from the substance or mixture In the event of fire the following can be released: Carbon monoxide (CO); Carbon dioxide (CO2); dense black smoke

- 5.3. Advice for firefighters
 - Other information

Collect contaminated fire-fighting water separately, must not be discharged into the drains.

SECTION 6: Accidental release measures

6.1. Personal precautions, protective equipment and emergency procedures No particular measures required.

6.2. Environmental precautions

No particular measures required.

6.3. Methods and material for containment and cleaning up Clean preferably with a detergent - avoid use of solvents.

6.4. Reference to other sections

Information regarding Safe handling, see Section 7. Information regarding personal protective measures,

Supplemental information

Relevant changes compared with the previous version of the safety data sheet are marked with: *** This information is based on our present state of knowledge. However, it should not constitute a guarantee for any specific product properties and shall not establish a legally valid relationship. The information in this Safety Data Sheet is based on the present state of knowledge and current legislation.

It provides guidance on health, safety and environmental aspects of the product and should not be construed as any guarantee of technical performance or suitability for particular applications. The product should not be used for purposes other than those shown in Section 1 without first referring to the supplier and obtaining written handling instructions.

As the specific conditions of use of the product are outside the supplier's control, the user is responsible for ensuring that the requirements of relevant legislation are complied with.

The information contained in this safety data sheet does not constitute the user's own assessment of workplace risks, as required by other health and safety legislation.
