SECTION 5: Firefighting measures

5.1. Extinguishing media

Suitable extinguishing media

Carbon dioxide, Foam, Sand, Water

5.2. Special hazards arising from the substance or mixture

In the event of fire the following can be released: Carbon monoxide (CO); Carbon dioxide (CO2); dense black smoke

5.3. Advice for firefighters

Other information

Collect contaminated fire-fighting water separately, must not be discharged into the drains.

SECTION 6: Accidental release measures

6.1. Personal precautions, protective equipment and emergency procedures No particular measures required.

6.2. Environmental precautions

No particular measures required.

6.3. Methods and material for containment and cleaning up Clean preferably with a detergent - avoid use of solvents.

6.4. Reference to other sections

Information regarding Safe handling, see Section 7. Information regarding personal protective measures, see Section 8. Information regarding waste disposal, see Section 13.

SECTION 7: Handling and storage

7.1. Precautions for safe handling

Advice on safe handling

Avoid skin and eye contact. Smoking, eating and drinking shall be prohibited in application area.

Advice on protection against fire and explosion

No special measures required.

7.2. Conditions for safe storage, including any incompatibilities

Requirements for storage rooms and vessels Store in frostfree conditions.

7.3. Specific end use(s)

Paint

SECTION 8: Exposure controls/personal protection

8.1. Control parameters

no

SECTION 15: Regulatory information

15.1. Safety, health and environmental regulations/legislation specific for the substance or mixture

Other information

The product does not contain substances of very high concern (SVHC).

Other information

All components are contained in the AICS inventory.

All components are contained in the DSL inventory.

Safety data sheet in accordance with regulation (EC) No 1907/2006			
Trade name: Marabu Art Spray 255, 50 ml			
	Version: 5 / Date revised: 29.01.202		
Substance number: 120905255	Replaces Version: 4 / WORLD Print date: 29.01.2		
All components are containe	d in the ENCS inventory. d in the TSCA inventory or exempted.		
15.2. Chemical safety assessment For this preparation a chemical safety assessment has not been carried out. SECTION 16: Other information			
		Hazard statements listed in	Chapter 3
		H301	Toxic if swallowed.
H302	Harmful if swallowed.		
H310	Fatal in contact with skin.		
H311	Toxic in contact with skin.		
H312	Harmful in contact with skin.		
H314	Causes severe skin burns and eye damage.		
H315	Causes skin irritation.		
H317	May cause an allergic skin reaction.		
H318	Causes serious eye damage.		
H330	Fatal if inhaled.		
H331	Toxic if inhaled.		
H335	May cause respiratory irritation.		
H400	Very toxic to aquatic life.		
H410	Very toxic to aquatic life with long lasting effects.		
H411	Toxic to aquatic life with long lasting effects.		
CLP categories listed in Cl			
Acute Tox. 2	Acute toxicity, Category 2		
Acute Tox. 2 Acute Tox. 3			
	Acute toxicity, Category 3		
Acute Tox. 4	Acute toxicity, Category 4		
Aquatic Acute 1	Hazardous to the aquatic environment, acute, Category 1		
Aquatic Chronic 1	Hazardous to the aquatic environment, chronic, Category 1		
Aquatic Chronic 2	Hazardous to the aquatic environment, chronic, Category 2		
Eye Dam. 1	Serious eye damage, Category 1		
Skin Corr. 1B	Skin corrosion, Category 1B		
Skin Corr. 1C	Skin corrosion, Category 1C		
Skin Irrit. 2	Skin irritation, Category 2		
Skin Sens. 1	Skin sensitization, Category 1		
Skin Sens. 1A	Skin sensitization, Category 1A		
STOT SE 3	Specific target organ toxicity - single exposure, Category 3		
Supplemental information			
Relevant changes compared with the previous version of the safety data sheet are marked with: ***			
This information is based on our present state of knowledge. However, it should not constitute a			
	oduct properties and shall not establish a legally valid relationship.		
	/ Data Sheet is based on the present state of knowledge and current		
legislation.			
	h, safety and environmental aspects of the product and should not be		
construed as any guarantee of technical performance or suitability for particular applications.			
The product should not be u	sed for purposes other than those shown in Section 1 without first referring		

to the supplier and obtaining written handling instructions. As the specific conditions of use of the product are outside the supplier's control, the user is responsible for ensuring that the requirements of relevant legislation are complied with.

The information contained in this safety data sheet does not constitute the user's own assessment of workplace risks, as required by other health and safety legislation.
