# 4.1. Description of first aid measures

Trade name: Marabu Chalky-Chic 159, 225	ml		Mar
	Version: 8 /		Date revised: 01.10.202
Substance number: 02610025159	Replaces Version:	7 / WORLD	Print date: 01.10.2
After skin contact			
Wash with plenty of water and soap.	Do NOT use solvents	or thinners.	
After eye contact Separate eyelids, wash the eyes tho	proughly with water (15	min.). In case of	irritation consult an oculist.
After ingestion Rinse mouth thoroughly with water. medical treatment.	lf larger amounts are sv	vallowed or in the	e event of symptoms take
<b>4.2. Most important symptoms and</b> Until now no symptoms known so fa		te and delaye	d
4.3. Indication of any immediate me	edical attention an	d special trea	atment needed
Hints for the physician / treatmen Treat symptomatically		·	
SECTION 5: Firefighting measure	Iras		
5.1. Extinguishing media			
Suitable extinguishing media Carbon dioxide, Foam, Sand, Water			
5.2. Special hazards arising from the In the event of fire the following can black smoke			bon monoxide (CO); dense
5.3. Advice for firefighters			
Other information Collect contaminated fire-fighting wa	ater separately, must no	t be discharged i	nto the drains.
SECTION 6: Accidental release	<u>e measures</u>		
6.1. Personal precautions, protecti No particular measures required.	ve equipment and	emergency p	procedures
6.2. Environmental precautions No particular measures required.			
6.3. Methods and material for conta Clean preferably with a detergent - a		ing up	
6.4. Reference to other sections Information regarding Safe handling see Section 8. Information regarding			ersonal protective measures,
SECTION 7: Handling and stor	age		
7.1. Precautions for safe handling			
Advice on safe handling			
Avoid skin and eye contact. Smoking	g, eating and drinking s	hall be prohibited	I in application area.
Advice on protection against fire No special measures required.	and explosion		
7.2. Conditions for safe storage, in	cluding any incom	patibilities	
Requirements for storage rooms

## Information for all modes of transport

#### 14.6. Special precautions for user

Transport within the user's premises:

Always transport in closed containers that are upright and secure.

Ensure that persons transporting the product know what to do in the event of an accident or spillage.

#### Other information

#### 14.7. Transport in bulk according to Annex II of Marpol and the IBC Code

no

# SECTION 15: Regulatory information

# 15.1. Safety, health and environmental regulations/legislation specific for the substance or mixture

## Other information

The product does not contain substances of very high concern (SVHC).

## Other information

All components are contained in the DSL inventory.

All components are contained in the TSCA inventory or exempted.

## 15.2. Chemical safety assessment

For this preparation a chemical safety assessment has not been carried out.

# SECTION 16: Other information

## Hazard statements listed in Chapter 3

H301	Toxic if swallowed.
H302	Harmful if swallowed.
H310	Fatal in contact with skin.
H314	Causes severe skin burns and eye damage.
H315	Causes skin irritation.

Skin Sens. 1	Skin sensitization, Category 1					
Skin Sens. 1A	Skin sensitization, Category 1A					

#### **Supplemental information**

Relevant changes compared with the previous version of the safety data sheet are marked with: \*\*\* This information is based on our present state of knowledge. However, it should not constitute a guarantee for any specific product properties and shall not establish a legally valid relationship. The information in this Safety Data Sheet is based on the present state of knowledge and current legislation.

It provides guidance on health, safety and environmental aspects of the product and should not be construed as any guarantee of technical performance or suitability for particular applications. The product should not be used for purposes other than those shown in Section 1 without first referring to the supplier and obtaining written handling instructions.

As the specific conditions of use of the product are outside the supplier's control, the user is responsible for ensuring that the requirements of relevant legislation are complied with.

The information contained in this safety data sheet does not constitute the user's own assessment of workplace risks, as required by other health and safety legislation.
