CTION 4: First aid	measures					
1. Description of first	aid measures					
<b>General information</b>						
In all cases of doubt, of position and seek me	or when symptoms persis dical advice.	t, seek m	nedical a	ttention. If ur	nconscious place in reco	overy
After inhalation						
	keep patient warm and at summon a doctor immedia		reathing	is irregular o	or stopped, administer	
After skin contact After contact with skin	n, wash immediately with p	enty of	water. D	on't use solv	vents.	
After eye contact						
Remove contact lense	es, irrigate copiously with nediate medical advice.	clean, fre	esh wate	r, holding the	e eyelids apart for at leas	st 10
After ingestion						

**4.2. Most important symptoms and effects, both acute and delayed** Until now no symptoms known so far.

# 4.3. Indication of any immediate medical attention and special treatment needed

Trade name: Marabu do it Glitter 582, 150 ml

Substance number: 21075006582

Replaces Version: - / WORLD

Version: 1/

### Hints for the physician / treatment

Treat symptomatically

# SECTION 5: Firefighting measures

# 5.1. Extinguishing media

### Suitable extinguishing media

Recommended: alcohol resistant foam, CO2, powders, water spray/mist, Not be used for safety reasons: water jet

### 5.2. Special hazards arising from the substance or mixture

In the event of fire the following can be released: Carbon monoxide (CO); Carbon dioxide (CO2); dense black smoke

### 5.3. Advice for firefighters

### Special protective equipment for fire-fighting

In case of combustion use a suitable breathing apparatus.

#### Other information

Cool endangered containers with water spray jet. Collect contaminated fire-fighting water separately, must not be discharged into the drains.

# SECTION 6: Accidental release measures

### 6.1. Personal precautions, protective equipment and emergency procedures

Keep away sources of ignition. Ensure adequate ventilation. Do not breathe gas/fumes/vapour/spray. Refer to protective measures listed in Sections 7 and 8.

### 6.2. Environmental precautions

Do not empty into drains. If the product contaminates lakes, rivers or sewage, inform appropriate authorities in accordance with local regulations.

### 6.3. Methods and material for containment and cleaning up

Contain and collect spillage with non-combustible absorbent materials, e.g. sand, earth, vermiculite, diatomaceous earth and place in container for disposal according to local regulations (see section 13). Clean preferably with a detergent - avoid use of solvents.

### 6.4. Reference to other sections

Refer to protective measures listed in Sections 7 and 8.

# SECTION 7: Handling and storage

# 7.1. Precautions for safe handling

### Advice on safe handling

Prevent the creation of flammable or explosive concentrations of vapour in air and avoid vapour concentration higher than the occupational exposure limits. Provide good ventilation of working area (local exhaust ventilation if necessary). Handle and open container with care. Isolate from sources of heat, sparks and open flame. Avoid skin and eye contact. Smoking, eating and drinking shall be prohibited in application area. Comply with the health and safety at work laws.

#### Advice on protection against fire and explosion

Keep away from sources of ignition - No smoking. Take action to prevent static discharges.

#### Classification of fires / temperature class / Ignition group / Dust explosion class

Classification of fires	C (Flammable gases)
Temperature class	T2

# 7.2. Conditions for safe storage, including any incompatibilities

# 8.2. Exposure controls

#### Exposure controls

Provide adequate ventilation. Where reasonably practicable this should be achieved by the use of local exhaust ventilation and good general extraction.

#### **Respiratory protection**

If workers are exposed to concentrations above the exposure limit they must use appropriate, certified respirators. Short term: filter apparatus, Filter A/P2; Self-contained breathing apparatus.

### Hand protection

Exposure to component so limit may result in adverse and adverse effects on kide dizziness, fatigue, muscula Solvents may cause some contact with the mixture ma	vents vapours concentration in excess of the sta nealth effects such as mucous membrane and re ney, liver and central nervous system. Symptoms r weakness, drowsiness and in extreme cases, lo of the above effects by absorption through the sk by cause removal of natural fat from the skin result prough the skin. The liquid splashed in the eyes r	spiratory system irritation and signs include headache, oss of consciousness. kin. Repeated or prolonged liting in non-allergic contact	

Trade name: Marabu do it Glitter 582, 150 ml

Version: 1 /

Date revised: 10.08.2020 Print date: 14.08.20

Substance number: 21075006582

### Replaces Version: - / WORLD

### Other information

There are no data available on the mixture itself. The mixture has been assessed following the additivity method of the CLP Regulation (EC) No 1272/2008 and classified for toxicological hazards accordingly.

# **SECTION 12: Ecological information**

# 12.1. Toxicity

# **General information**

There are no data available on the mixture itself.Do not allow to enter drains or water courses.The mixture has been assessed following the summation method of the CLP Regulation (EC) No 1272/2008 and is not classified as dangerous for the environment.

# 12.2. Persistence and degradability

### **General information**

There are no data available on the mixture itself.

# 12.3. Bioaccumulative potential

### Partition coefficient: n-octanol/water

Not applicable

# Remarks 12.4. Mobility in soil

### General information

There are no data available on the mixture itself.

# 12.5. Results of PBT and vPvB assessment

### **General information**

There are no data available on the mixture itself.

# 12.6. Other adverse effects

### **General information**

There are no data available on the mixture itself.

# SECTION 13: Disposal considerations

# 13.1. Waste treatment methods

# Disposal recommendations for the product

Do not allow to enter drains or water courses.

# Disposal recommendations for packaging

Completely emptied packagings can be given for recycling. Not emptied containers are hazardous waste (waste code number 150110).

# SECTION 14: Transport information

Safety data sheet in accordance with regulation (EC) No 1907/2006         Trade name: Marabu do it Glitter 582, 150 ml         Version: 1 /       Date revised: 10.08.2020         Substance number: 21075006582       Replaces Version: - / WORLD       Print date: 14.08.2020

# Information for all modes of transport

14.6. Special precautions for user

Transport within the user's premises:

Always transport in closed containers that are upright and secure.

Ensure that persons transporting the product know what to do in the event of an accident or spillage.

### Other information

14.7. Transport in bulk according to Annex II of Marpol and the IBC Code

no

# SECTION 15: Regulatory information

# 15.1. Safety, health and environmental regulations/legislation specific for the substance or mixture

VOC

VOC (CH)	84,93	%	637	g/l
VOC (EU)	84,93	%	637	g/l

# Other information

The product does not contain substances of very high concern (SVHC).

# 15.2. Chemical safety assessment

For this preparation a chemical safety assessment has not been carried out.

# SECTION 16: Other information
