SECTION 4: Firs	st aid measures		
4.1. Description o	of first aid measure	S	
After skin cont	act		
Wash with ple	nty of water and soap.	Do NOT use solvents or thinners.	
After eye conta	act		
	•	oughly with water (15 min.). In case of	irritation consult an oculist.
After ingestion			
Rinse mouth t medical treatn	• •	larger amounts are swallowed or in th	e event of symptoms take
	nt symptoms and symptoms known so far.	effects, both acute and delaye	ed
4.3. Indication of	any immediate me	dical attention and special tre	atment needed
Hints for the pl Treat sympton	hysician / treatment natically		
	efighting measu	res	
5.1. Extinguishing	-		
Suitable exting Carbon dioxid	<b>juishing media</b> e, Foam, Sand, Water		
In the event of		e substance or mixture e released: Carbon monoxide (CO); C	arbon dioxide (CO2); dense
5.3 Advice for fire	,		

# 5.3. Advice for firefighters

Trade name: Marabu Textil 070, 250 ml

Version: 9/

Substance number: 17160013070

Replaces Version: 8 / WORLD

#### Other information

Collect contaminated fire-fighting water separately, must not be discharged into the drains.

# SECTION 6: Accidental release measures

6.1. Personal precautions, protective equipment and emergency procedures No particular measures required.

#### **6.2.** Environmental precautions

No particular measures required.

6.3. Methods and material for containment and cleaning up Clean preferably with a detergent - avoid use of solvents.

#### 6.4. Reference to other sections

Information regarding Safe handling, see Section 7. Information regarding personal protective measures, see Section 8. Information regarding waste disposal, see Section 13.

# SECTION 7: Handling and storage

#### 7.1. Precautions for safe handling

#### Advice on safe handling

Avoid skin and eye contact. Smoking, eating and drinking shall be prohibited in application area.

#### Advice on protection against fire and explosion

No special measures required.

Classification of fires / temperature class / Ignition group / Dust explosion class Classification of fires B (Combustible liquid substances)

# 7.2. Conditions for safe storage, including any incompatibilities

#### Requirements for storage rooms and vessels Store in frostfree conditions.

### 7.3. Specific end use(s)

Paint

# SECTION 8: Exposure controls/personal protection \*\*\*

#### 8.1. Control parameters

#### Other information

There are not known any further control parameters.

#### Derived No/Minimal Effect Levels (DNEL/DMEL) \*\*\*

#### **Bronopol (INN)**

### Information for all modes of transport

14.6. Special precautions for user

Transport within the user's premises:

Always transport in closed containers that are upright and secure.

Ensure that persons transporting the product know what to do in the event of an accident or spillage.

#### Other information

#### 14.7. Transport in bulk according to Annex II of Marpol and the IBC Code

no

# SECTION 15: Regulatory information

# 15.1. Safety, health and environmental regulations/legislation specific for the substance or mixture

#### Other information

The product does not contain substances of very high concern (SVHC).

#### Other information

All components are contained in the IECSC inventory.

#### 15.2. Chemical safety assessment

For this preparation a chemical safety assessment has not been carried out.

# SECTION 16: Other information

#### Hazard statements listed in Chapter 3

	•
H301	Toxic if swallowed.
H302	Harmful if swallowed.
H310	Fatal in contact with skin.
H311	Toxic in contact with skin.
H312	Harmful in contact with skin.
H314	Causes severe skin burns and eye damage.

#### **Supplemental information**

Relevant changes compared with the previous version of the safety data sheet are marked with: \*\*\* This information is based on our present state of knowledge. However, it should not constitute a guarantee for any specific product properties and shall not establish a legally valid relationship. The information in this Safety Data Sheet is based on the present state of knowledge and current legislation.

It provides guidance on health, safety and environmental aspects of the product and should not be construed as any guarantee of technical performance or suitability for particular applications. The product should not be used for purposes other than those shown in Section 1 without first referring to the supplier and obtaining written handling instructions.

As the specific conditions of use of the product are outside the supplier's control, the user is responsible for ensuring that the requirements of relevant legislation are complied with.

The information contained in this safety data sheet does not constitute the user's own assessment of workplace risks, as required by other health and safety legislation.
