

Safety Data Sheet

In accordance with EC Directive 1907/2006/EC

Revision No.: 8

Revision date: 25-06-2020

Page 1/3

1. Identification of the product and company

Trade name : **Marmoleum: Walton, Silk cut Linoleum**

Application of the product : Floor covering

Manufacturer/supplier : Forbo Flooring B.V.
 Industrieweg 12
 1566 JP Assendelft – The Netherlands
 Telephone: +31 756 477 477

Australian Head Office
 Forbo Flooring Systems Australia
 23 Ormsby Place
 Wetherill Park NSW 2164
 02 98280200

2. Hazards identification

Hazard description : No particular hazard for persons and the environment known

3. Composition/information on ingredients

Description : Floor covering based on a binder composed of vegetable drying oil and natural rosin, mixed with wood flour and limestone, pressed on a jute backing.

Dangerous components : None

4. First-aid measures

After inhalation : Not applicable

After skin contact : Not applicable

After eye contact : Not applicable

After swallowing : Not applicable

5. Fire-fighting measures

Suitable extinguishing media : Water, foam, carbon dioxide, dry powder

Special hazards from the product itself, its products of combustion or resulting gases : Hazardous combustion product: carbon monoxide

Protective equipment : Use self-contained breathing apparatus

Safety Data Sheet

In accordance with EC Directive 1907/2006/EC

6. Accidental release measures

Person-related safety precautions :	Not applicable
Measures for environmental protection :	Not applicable
Measures for cleaning/collecting :	Not applicable

7. Handling and storage

Information for safe handling :	No specific measure required
Information about storage :	No specific measure required

8. Exposure controls/personal protection

Ingredients with occupational exposure limits to be monitored :	Not applicable
General protective and hygienic measures :	No specific measures required
Respiratory protection :	Not applicable
Hand protection :	Not applicable
Eye protection :	Not applicable
Skin protection :	Not applicable

9. Physical and chemical properties

Physical state :	Solid flexible floor covering
Form :	Sheet or tile
Colour :	Various colours and patterns
Odour :	Weak "linseed oil" smell
Melting point :	Not applicable
Flash point :	Not applicable
Decomposition temperature :	Approx. 450 °C
Danger of explosion :	Not applicable
Density :	1150 – 1250 kg/m ³
Solubility :	Insoluble in water or conventional solvents

10. Stability and reactivity

Thermal decomposition :	No decomposition up to approx. 450 °C
Hazardous reactions :	No hazardous reactions
Dangerous decomposition products :	No dangerous decomposition products

Safety Data Sheet

In accordance with EC Directive 1907/2006/EC

Revision No.: 8

Revision date: 25-06-2020

11. Toxicological information

General information : No harmful effects have been reported to date

12. Ecological information

Information about elimination : Product is biodegradable and can be composted.

Other information : Insoluble in water

13. Disposal considerations

Product : Incineration with energy recovery is the preferred disposal method. Land filling in a permitted facility is an alternative. All applicable local and national legislation should be consulted before disposal.

Packaging : Packaging should be subjected to waste management schemes (recovery recycling) in accordance local and national legislation

14. Transport information

ADR : Not restricted

ADNR : Not restricted

RID : Not restricted

IATA : Not restricted

IMDG : Not restricted

15. Regulatory information

Labelling in accordance with EC-directives : The product does not require a hazard warning label in accordance with EC directives or relevant national laws

16. Other information

Department issuing MSDS : Quality Assurance
