

# SOLUFIX

## Self - Adhesive Solufleece

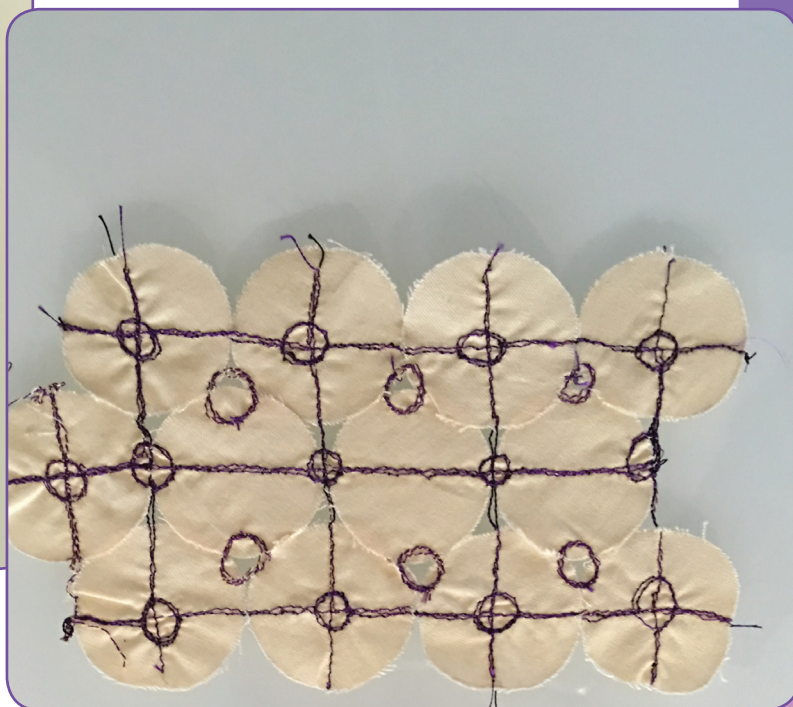

Solufix is a water soluble self-adhesive embroidery stabilizer.

Ideal for knitted garments as well as jersey, silk and other difficult fabrics.

The self-adhesiveness of Solufix will ensure no slippage, (therefore no pins required) offers perfect embroideries and avoids distortion.

Once you have stitched everything in place , wash out the solufix

Solufix is 45cm wide and sold by the metre Code: SOLF45
